## CAREER HISTORY

**Logistics and Customer Experience Manager**  
West Coast Campervans Ltd., Co. Fermanagh

Sep 2010 – Nov 2019

### Key achievements:

- Progression from part-time position to management role
- Created new procedures as business grew to manage increased numbers of customers coming through Dublin airport e.g. found new site for Dublin depot with bus transfers from airport
- Trained and scheduled 2 part-time staff for the last three years
- Website maintenance - cosmetic changes that sparked my interest in web development

### Head Surf Instructor

June 2007 – Sep 2010

Turfsurf Lodge, Bundoran, Co. Donegal

- Leading 8 surf instructors - drawing up rotas, ongoing training and risk assessment
- Developed and delivered tailored programmes for intermediate and advanced surfers
- Provided instruction for individuals and groups at beginner and intermediate levels

### Project Officer

July 2004 - May 2007

Environmental Education Unit, Dublin 8

- Liaised with primary and secondary schools throughout Ireland (90% of school involvement nationally) to develop and implement green programmes
- Developed learning resources for sustainable themes

### Math's Resource Teacher

Sep 2002 - June 2004

St. Michael's & St. Raphael's NS, Dublin 10

### C++ Developer

Sep 2000 - July 2002

FINEOS Corporation, Dublin 3

Development on life insurance product, CRM and business automation.
